

Your Powerful Personal Legacy

Future generations will want to know!

Pine Run Invites You to a Fascinating Presentation.

What will they find, a leftover mask from a neighborhood party or the one your grandmother wore that night at the Bellevue Stratford?

Family legacies, personal stories, values held dear, and hard lessons learned give true meaning to the things in boxes.

Popular speaker, Margit Novak of Moving Solutions will share unique insight and suggestions for creating a truly priceless legacy, sometimes from very ordinary objects. Many practical solutions are also offered for ways to gift precious family mementoes without hurting feelings. Learn from fascinating studies done and Margit's personal and professional experience. This presentation opens a box full of estate-related topics with ideas and answers.

Create A Priceless Legacy
