**1:30 LINE DANCING**

**TOTAL BODY** - Variety is the spice of this class! Segments include cardio, strength, flexibility, balance and core training.

**CARDIO CIRCUIT** - This class is heart-healthy and gentle on the joints. The workout includes standing, low-impact movement working the major muscles along with balance, abdominal conditioning and stretching. Seated participants are encouraged and welcome.

**FIT AND FLEXIBLE** – Gentle, seated class focusing on building muscle strength and stability. Perfect for beginners.

**Core on the Floor** - 15 minutes of ABS/core strength

**LINE DANCING** – Come dance with us!! It's good for you; body and soul!
