Friday **11:45am LINE DANCING**

LIGHT STRENGTH & BALANCE- focuses on using light weights, light resistance with bands/balls, appropriate balance exercises and gentle stretching

TOTAL BODY- Variety is the spice of this class! Segments include cardio, strength, flexibility, balance and core training.

LINE DANCING – Come dance with us!! It's good for you; body and soul! (40 minutes)

Cardio Circuit – Intervals to improve stamina, muscle strength and flexibility

Strength and Balance – Increase stability & confidence, improve posture, strengthen abdominals
