can really make each day easier.**

# Alzheimer's Support Group

**Second Wednesday of each month • 3:00 pm**

**July 12, 2017 – August 9, 2017 – September 13, 2017**

The Alzheimer's Support Group at Lakeview provides comfort for participants during the monthly sessions. "Many caregivers feel a huge sense of relief when they hear other families sharing the same stories and concerns," says Maureen Riley, trained facilitator. "Our support group is a lifeline for information and laughter, and members feel free to share their best approaches to managing the physical and emotional changes that occur as the disease progresses. Learning simple tips for success with daily tasks like bathing and dressing can make each day easier."
