RE: **Governor Tom Wolf Issues Shelter-in-Place for Bucks County**

Effective at 8 PM tonight and for the next two weeks, Pennsylvania Governor Tom Wolf has issued a Shelter-in-Place for Bucks County and other areas with a high concentration of COVID-19 outbreaks.

What does that mean for Villagers?

- Please do not leave the Ferry Road Campus, except for trips to the grocery store, pharmacy, or bank. (If you need groceries, please contact Nancy Pellegrini at Ext. 5190.)
- Please continue to come to the Grille to pick up your meals; this has not changed.
- Please do not allow your family members to visit you in your homes.
- Please remember to practice social distancing – staying three-to-six-feet away from others – at all times.

We know this is a very difficult time, and we are committed to ensuring your wellbeing.
