

**The Garden at Pine Run Health Center Re-opening Step 3**

<p>Baseline Universal Testing for COVID-19 for all residents and all staff was concluded on 7/11/2020 with NO positive cases identified.                  No Garden resident has had a positive test result since 5/22/2020                  No Garden associate has had a positive test result since 4/14/2020                  Bucks County PA remains GREEN                  The Garden at Pine Run Health Center is NOT experiencing staff shortages.                  PPE supplies remain adequate.                  Essential cleaning and disinfection supplies are available and in use to care for residents and their environment                  Doylestown Health continues to have adequate supply testing supplies for COVID-19                  Doylestown Hospital has bed capacity to handle care for COVID-19 patients</p>		
Dining:	<p>Communal Dining is limited to Residents unexposed to COVID-19.                  Residents may eat in Dining Room, Private Dining Room. Large tables have been created by combining smaller tables to insure six feet distance between residents and by limiting 2 persons per table and tables are spaced 6 feet apart. Two rolling seatings are provided to insure staggered arrival and departure times and insure a limited number of people in the dining room to insure social distancing.</p> <p>Infection Control Precautions are in effect.</p>	<p>This went into effect upon knowing that all residents tested negative with universal testing on 7/7/2020.</p>
Activities	<p>Group activities may be held with residents unexposed to COVID-19                  Social Distancing is maintained (to insure adequate spacing the living room or outdoors on our patio as space permits).                  Hand hygiene is utilized                  Universal masking is strongly encouraged. Due to the nature of residents with dementia not fully understanding, if masking cannot be accomplished associates will do their best to insure social distancing.                  Large group activities are enhanced by one on one visits and small groups in the activity room.</p>	<p>After August 8, 2020</p>
Non-essential Personnel	<p>Essential Contractors:                  100% of people entering the facility are screened at the start and end of each shift                  All wear face masks                  All are questioned about symptoms</p>	<p>Currently in effect</p>

	<p>All observe for any symptoms, will go through health screen                  Beauty Salon practices are set up, COVID-19 testing of beautician, beautician will wear mask, one resident in the salon at a time, proper cleaning and disinfecting between residents, etc.                  Residents unexposed to COVID-19 can utilize hairdresser services.</p>	<p>Start as soon as Matura successfully recruits a hairdresser, first priority/round will be haircuts and additional services will be provided such as sets, perms and coloring as we get caught up.</p>
<p>Volunteers</p>	<p>Volunteers are allowed only for the purpose of assisting with outdoor visitation protocols and may only conduct volunteer duties with residents unexposed to COVID-19. Screening, social distancing, and additional precautions including hand hygiene and universal masking are required.</p>	<p>We have begun to contact to volunteers to determine interest in returning in this capacity and discuss protocol and provide necessary training in infection control precautions including hand washing, social distancing, hand hygiene and universal masking requirements.</p>
<p>Visitation</p>	<p>Although outdoor visitation remains preferred, The Garden is allowing visitation in our neutral zone set up in the elevator lobby of 5<sup>th</sup> floor. Visitors will reserve the space in half-hour increments through tools provided by our Activities Director and so that Garden associates can assist residents to and from the visitation area. Due to space restrictions, residents are limited to 2 visitors at a time in this indoor space. Team members will evaluate if a resident can safely accept visitors in this capacity. The number of visits may be limited to insure all families have opportunity to visit regularly.</p> <p>For the safety of all, outdoor visitation remains preferred when weather permits utilizing the Garden patio under the awning or umbrellas. Times should be scheduled through the life enrichment department so that we can coordinate with team members of various departments in assisting the resident to and from the visiting area. Team members will evaluate if a resident</p>	<p>Starting August 11                  Elevator Lobby Visiting days/hours:                  Sun-Sat: 10am-11:30am                  Sun-Sat: 1:30pm-4:30pm                  Tue-Thur: 6:30pm-7:30pm</p> <p>Currently in effect                  Available outdoor visitation times:                  Sat-Sun: 9am, 10am, 1pm</p>

	<p>can safely accept visitors in this capacity. The number of visits may be limited to insure all families have opportunity to visit regularly. There will be a limit of 3 visitors outdoors. In the event that weather prevents outdoor visits, families may sign up to utilize our neutral zone area of the elevator lobby on 5<sup>th</sup> floor. Due to space restrictions, residents are limited to 2 visitors at a time while inside.</p> <p>All visitors must wear face masks during their entire visit, use an alcohol-based sanitizer before and after the visit, maintain a social distance of a minimum of six feet, stay in their designated facility visiting location, sign in and provide contact information if coming indoors and sign out upon departure, and adhere to screening protocols.</p> <p>For those uncomfortable with or unable to do in-person visits, we will continue past offerings scheduled through our life enrichment director:          Electronic visitation utilizing Skype, FaceTime, Zoom, etc.          Patio visits allowed only by appointment utilizing the visitation Plexiglas booth, following social distancing, universal masking, disinfection of area, etc.          Window visit in neutral zone of first floor lobby with resident inside and visitor outside</p> <p>Visitations may not occur during mealtimes which are approximately 8am-9:00am, Noon-1:00pm, and 5-6:00pm</p> <p>In-room visits at end of life will be permitted with appropriate PPE and limits of 2 visitors at a time.</p>	<p>M&amp;F: 10am, 1pm          Tu-Th: 10am, 11:15am, 1pm, 3:30pm, and 6pm.          (This is subject to change based on staffing and census changes)</p>
