

Visiting Protocol for Short Term / Rehab Residents 9/24/2020

- Visiting hours will be from 1pm-3pm, 7 days a week
- All visitors must sign in and out when entering & exiting the health center
- Visitation will be limited to the resident's room
- Residents are limited to 2 visitors at a time
- All visitors are required to wear face masks during their entire visits
- Maintain social distancing and follow infection control protocols
- No food or drinks are permitted during visitation- families may drop off items for the resident to enjoy on the unit.
- No Children under the age of 12 will be permitted to visit at this time
- No Pets permitted – Pet therapy is conducted thru our Life Enrichment dept. only
- As always, please do not visit if you are not feeling well

Please be conscientious of your loved ones therapy schedule so that you are not here during those times. You will not be permitted in the therapy gym unless you have been invited to participate in "Family Training".

Restrictions have been put in place as per the guide lines set forth by the Pennsylvania Department of Health; for the safety and wellbeing of our residents and staff.

Travel within the facility is limited to the Lobby and the resident's room on their assigned floor. Visitors may not travel to other parts of the building, and visitation is not permitted in the dining rooms or lounges on the units.

We appreciate your compliance with these guidelines. Those who do not will receive a friendly reminder for the first occurrence. Further occurrences may result in the suspension of visiting privileges.

We will continue to test residents and staff as per our guidelines based on the COVID19
