|--|---|--|
| Develop a Re-Opening Implementation Plan | This will be posted on our website. www.pinerun.org | Effective: 8/17/20 Updated: 10/27/20 Updated: 1/15/21 |
| <p>A Testing Plan:</p> <p>County Positivity Rate is < 5%</p> <p>County Positivity Rate is 5% - 10%</p> <p>County Positivity Rate is > 10%</p> | <p>Baseline Universal Testing of all Residents and staff:</p> <p>Universal Testing is required every 4-6 weeks for all Associates. Resident testing is not recommended.</p> <p>UT testing for all Associates is every 30 days. Weekly testing is encouraged for all Residents with outside contact in the last 14 days, if they have not otherwise been tested during that period. Testing is encouraged of all Associates that have not been tested in the past 30 days and repeat testing every 30 days.</p> <p>Testing for all Associates is encouraged weekly. Weekly testing is encouraged of all Residents with outside contact in the last 14 days, if they have not otherwise been tested during that period.</p> | <p>Universal Testing began 11/23/20 based on Positivity Rate of Bucks County increasing to above 10%</p> <p>Last COVID positive Resident was 12/23/20 Last COVID positive Associate was 12/28/20 Lakeview has been COVID free since 1/6/2021</p> <p>Universal Testing for all Associates and Residents will take place every Wednesday and Thursday. 100% of all Associates and Residents tests returned negative 1/7/21</p> |

| | | |
|---|--|---|
| <p>Diagnostic Testing:</p> | <p>Residents showing signs and symptoms will be tested within 24 hours of showing signs and symptoms.</p> <p>Associates who are showing symptoms will contact Doylestown Hospital Occupation Health to arrange for testing.</p> <p>Non-essential staff and Volunteers will have to make arrangements to be tested independently. Associates may not decline universal testing. It is part of employment to be tested for COVID-19.</p> <p>Pine Run Community is owned by Doylestown Health and Lakeview as part of our CCRC has a contract with Doylestown Hospital's lab.</p> | <p>Resident showing symptoms will be tested at Lakeview by DON. Swab will be sent to DH lab. DON will obtain an order from PCP to be tested. Alternatively, if ordered due to severity of illness, 911 will be called and the Resident will be transported via ambulance to Doylestown Hospital for testing.</p> <p>Occupational Health will coordinate with the Associate an appointment time to come to DH for the testing.</p> <p>Volunteers are restricted until further notice. Non-Essential staff are not permitted until Step 2 of re-opening. Effective 6/17/20 all Associates will tested for COVID-19 prior to employment and associates currently working will be tested as part of Universal Testing. HR policy has been developed and shared with all staff stating testing is required for employment.</p> <p>DH Lab will provide testing and results to our Infection Control Specialist.</p> |
| <p>Co-Horting Residents:</p> <p>Lakeview has capacity for 13 Residents living in our Secured Dementia Unit called The Arbor.</p> <p>Lakeview has capacity for 93 Residents in Lakeview Proper (regular PC).</p> <p>Current Census is 82.</p> | <p>Lakeview is not able to co-hort Residents who are symptomatic and ill:</p> | <p>If a Lakeview Resident tests positive for COVID-19 and they are ill and or wander, they will be transferred to Pine Run Health (our SNF) to the designated COVID unit. MD and Residents Responsible Party will be made aware of transfer.</p> <p>The Resident will remain in their room, in isolation, until the results of their test are available.</p> <p>Associates will use appropriate PPE (mask, gloves, face shield and gown) when entering the Residents room. They will don and dof the PPE inside the Residents room and dispose of trash in Biohazard bins.</p> |

| | | |
|---------------------------------|--|---|
| | If Resident is not ill and can be safely managed at Lakeview: | If a Lakeview Resident tests positive and is asymptomatic they will isolate in their room for 14 days. They will eat in their room. Associates who enter the room will wear appropriate PPE (mask, gloves, face shield and gown) when entering the Residents room. They will don and doff the PPE inside the Residents room and dispose of trash in Biohazard bins. PCP and family will be notified. PCP will also be contacted by DON to get order for COVID IgG testing to show if the virus is old or new. |
| Screening Tool: | All Associates are screened upon arrival and departure Residents are screened twice daily by LPN / RN | Attached please find the screening tool used by Associates. Resident temperatures and pulse oxygen levels are monitored by nurse and documented in their electronic medical record. |
| PPE / Infection Control: | PPE is provided to all Associates: Current PPE required as of 1/11/2021: If outbreak occurs: | We have an adequate supply of Proper PPE including: <ul style="list-style-type: none"> • Masks • Gloves • Gowns • Face shields • Hand sanitizer Surgical mask, face shields, gloves N95's will be required |
| Staffing: | Adequate staffing will be monitored | DON will monitor staffing needs |
| Communal Dining: | If there are no positive cases our Residents will enjoy Communal Dining | We will utilize the main dining room, private dining room and courtyard café in order to ensure social distancing during meal service. We have 2 seating's, and only 2 Residents are sitting at each table. Hand sanitizer is provided prior to entering for a meal and as they leave. |

| | | |
|---------------------------|---|---|
| | <p>If an outbreak were to occur we would serve meals in the resident's room. We have 4 Residents who would need supervision during meal times.</p> | <p>Meals will be delivered to Residents room. Supervision for Residents in need will be provided in the main dining room.</p> |
| <p>Visitation:</p> | <p>Skype, Zoom and Face Time Calls are available:</p> <ul style="list-style-type: none"> • Life Enrichment will set up Resident to have a private conversation with their Family and / or Friends • Appointments made through the Life Enrichment Department <p>Communication Window visits:</p> <ul style="list-style-type: none"> • Families and Friends may set up a Communication Window visit through the Concierge. 1st floor by our Gazebo and The Arbor both have communication windows available • Lead Concierge will schedule all appointments so proper cleaning can happen in between visits. <p>Conference Room Visits (Inside):</p> <ul style="list-style-type: none"> • Visiting hours are available 7 days a week 9:30am – 11:00am and 1:30pm – 4pm • All inside visits must be scheduled on-line or reservations can be made by calling the Concierge at (215)489-7117 • Check in with the Concierge upon arrival to be screened • No food or drinks are permitted during the visit • Universal Masking must be upheld during your visit • Maintaining Social Distancing must be upheld during your visit • Only 2 people per visit • Visits may last 20 minutes • Proper cleaning and disinfecting will occur between each visit <p>In-Room Visits:</p> <ul style="list-style-type: none"> • Visiting times are Monday – Friday during the times of 10am – 12pm and 2pm – 4pm | <p>Available April 2020</p> <p style="color: red; text-align: center;">SUSPENDED UNTIL FURTHER NOTICE</p> <p style="color: red; text-align: center;">SUSPENDED UNTIL FURTHER NOTICE</p> |

| | | |
|--|---|--|
| | <ul style="list-style-type: none"> • Sign up is required for in-room visits on line or reservations can be made by calling the Concierge • Only 1 person may visit at a time • Screening is required prior to visit and escort to and from the Residents room is required. • Universal Masking and adhering to social distancing is required at all times <p><i>Visitation inside is restricted during Meal Services per CDC and DOH guidelines</i></p> | |
| <p>Plan to HALT re-opening (if PA reverts back to RED PHASE)</p> <p>Co-Horting of Residents:</p> | <p>Any Resident who tests positive for COVID-19 and is symptomatic and ill, will be transferred to our SNF, Pine Run Health Center’s dedicated COVID unit.</p> <p>Positive Results for asymptomatic Residents will isolate in their room for the required 14 days.</p> | <p>If a Lakeview Resident tests positive for COVID-19 and they are ill and or wander, they will be transferred to Pine Run Health (our SNF) to the designated COVID unit. The Resident will remain in their room until the results of their test are available and transfer is set up. Associates will use appropriate PPE (mask, gloves, face shield and gown) when entering the Residents room. They will don and dof the PPE inside the Residents room and dispose of trash in Biohazard bins. MD and Residents Responsible Party will be made aware of transfer.</p> <p>If a Lakeview Resident tests positive and is asymptomatic they will isolate in their room for 14 days.
